DEPARTMENT OF MINES.

DEPARTMENT OF MINES.

VICTORIA, B. C., 5th October, 1910.

The following is published for general information.

RICHARD McBRIDE.

Minister of Mines.

DEPARTMENT OF MINES.

CANADA.

MINES BRANCH.

EUGENE HAANEL, Ph.D., Director.

THE Mines Branch of the Department of Mines is installing an experimental testing plant in Ottawa for the concentration of magnetic ores.

When completed, the plant will consist of a standard Gröndal concentrating unit, comprising an ore-crusher, ball-mill, and two Gröndal magnetic separators operating in tandem; the capacity of the plant being from 2 to 4 tons of crude ore per hour.

The plant is being installed for the purpose of testing low-grade magnetic iron ores and sands, with the view of proving their amenability to concentration by the Gröndal wet system.

Tests will be carried through for the determination of the following points:—

(1.) Extent of crushing required to raise the iron content of the crude to 65-70 per cent. in the concentrate:

(2.) Extent of crushing required to depress sulphur, phosphorus, or titanium contents to percentages acceptable to furnacemen:

(3.) Number of tons of crude that are required to produce 1 ton of concentrate:

(4.) Power consumed per ton of crude ore concentrated:

(5.) Cubic feet of water used per ton of crude ore concentrated.

It is expected that the plant will be ready for operation about the first week in November, 1910. Tests will be made free of charge on Canadian ores, but it is required that shipments shall be delivered carriage paid at the testing plant at Ottawa.

Shipments of ore for testing purposes should not be less than 5 nor more than 20 tons; and it is particularly requested that shipments be made in bags containing not more than 100 pounds of ore, to facilitate handling.

All communications regarding arrangement of tests should be addressed to

EUGENE HAANEL, Ph.D.,

Director, Mines Branch,

Department of Mines,

No. 652.

A BY-LAW

Authorising certain Street Improvements as a Work of Local Improvement on Portions of Caledonia Avenue, Rudlin Avenue, Grant Street, and Burdette Avenue, and to raise the Necessary Moneys in anticipation of the Assessment therefor.

WHEREAS the Council have, by resolution, determined to construct permanent sidewalks of concrete on the north side of Caledonia Avenue from Blanchard Avenue to Quadra Street and on both sides of Caledonia Avenue from Quadra Street to Cook Street; and to grade, rock-surface, and drain Rudlin Avenue from Chambers Street to Fernwood Road, and to construct permanent sidewalks on both sides thereof, and to expropriate certain real property on said avenue for the purpose of widening same to an average width of 40 feet throughout; and to grade, rock-surface, and drain Grant Street between Stanley Avenue and Belmont Avenue, and to construct permanent sidewalks of concrete on both sides of said street; and to acquire or expropriate property or rights and to bring in property already purchased for the purpose of extending Burdette Avenue to Linden Avenue, and to construct permanent sidewalks on both sides of Burdette Avenue from Cook Street to Linden Avenue, said last-named expropriation to be effected by separate by-law as a work of local improvement in accordance with specifications approved by the Municipal Council:

And whereas the Council propose to defer making assessment for the said works or improvements until after the work has been carried out and the actual cost ascertained:

And whereas, under and by virtue of the "Municipal Clauses Act" and amending Acts, the Municipal Council, on the 8th day of March, 1901, passed a by-law known as the "Local Improvement General By-law," and on the 20th day of August, 1906, finally passed an amending by-law known as the "Local Improvement General By-law Amendment By-law, 1906," to provide for the assessment of real property benefited by works of local improvement, and prescribing the mode of procedure upon such assessment and the raising of the necessary moneys, both in anticipation of assessment and upon security of the special rates assessed, and with, or without, the guarantee of the Corporation:

And whereas, in pursuance of the provisions of the first-recited by-law, the City Engineer has ascertained and determined the said work of improvement, and has made and certified as correct six plans numbered S28c, S28b, S28d, S27a, S28e, and S28d, and six specifications, which plans and specifications are filed in the office of the City Engineer at the City Hall, and the City Engineer has made six estimates of the expense and costs and description of the said work, and has ascertained and determined and shown on the said plans, specifications, estimates, and descriptions what real property will be immediately benefited by the proposed improvement:

And whereas the City Engineer and City Assessor have conjointly ascertained and determined the proportion in which the assessment for the cost of the said work will have to be made on the real property and portions of real property so benefited, and on the 22nd day of November, 1909, and on the 18th day of December, 1909, made joint report of all such matters to the Council of the Corporation,

and copies of such reports are filed in the office of the City Clerk:

And whereas the total cost of said improvement is estimated at \$32,341:

And whereas no petition has been presented to the Council against the said work of local improvement:

Now, therefore, the Municipal Council of the Corporation of the City of Victoria enacts as follows:—

1. The said work or improvement set forth in the said recited report shall be forthwith proceeded with.

2. There shall be borrowed from the Bank of British North America, or from any other bank, person, or body corporate willing to advance the same, a sum not exceeding \$32,341, to be advanced from time to time as and when required, at the rate of interest current payable to bankers in the city for temporary loans, and upon the terms that such advances and interest shall be repaid out of the proceeds of a debenture loan to be issued by the Corporation upon the security of the assessment and special rates to be hereafter made upon the owners benefited by the said work or improvement as ascertained and determined by the said six recited reports, with the guarantee of the City.

3. It shall be lawful for the Mayor, on behalf of the said Corporation, to sign and cause the seal of the city to be affixed to an agreement with the said bank, person, or body corporate making the said advance, binding the Corporation of the City of Victoria to repay any moneys raised and advanced under the authority of this by-law out of the proceeds of the debenture loan to be raised upon the assessment and special rates to be made, levied, and collected for the said work or improvement authorised by this by-law and on the guarantee of the city, when received by the Corporation, and for the payment of the interest as agreed.

4. to be known as the "Eighth Street Sewer System";

And that the said works should be carried out in

accordance with the provisions of the "Local Improvement General By-law, 1909":

And whereas the City Engineer, upon receipt of a copy of the said resolution, did under the provisions of the said by-law make and certify as correct a plan thereof, and did make an estimate of the expense of the cost thereof, and did ascertain, determine, and show on said plan what land or real or assessable property will be immediately benefited by the proposed improvements:

And whereas the City Engineer and City Assessor did, after the said plan had been made and certified, conjointly ascertain and determine the proportion in which the assessment is to be made on the various portions of land or real or assessable property so benefited, and did make a joint report of all such matters to the said Council, which report was duly approved of and adopted by the said Council and entered in accordance with the provisions of the said by-law:

And whereas thereafter the City Clerk did cause a notice to be inserted in the *Daily Columbian* and *Daily News*, being newspapers published in the said city, to the effect that the said report, or a necessary part thereof, was open for inspection at the office of the Assessor, and signifying the intention of the Council to make the assessment therein set forth:

And whereas within a period of fifteen days from the date of the first publication of such notice no petition being presented against any of the said improvements, the assessment roll showing the property and amount assessed for the local improvement was duly prepared, and the Clerk did cause a notice to be inserted in the said *Daily Columbian* and *Daily News*, being newspapers published in the said city, to the effect that the said assessment roll was open for inspection at the office of the Assessor:

And whereas no notice of appeal against the said assessment was received by the said Clerk:

And whereas the cost of the said work or improvement is shown by the said report to be \$138,109, and the amount to be assessed against the owners of the real property benefited is shown to be \$100,000:

And whereas the Council by resolution affirmed by resolution that the said work of local improvement benefits the municipality at large, and that it would be inequitable to raise the whole costs of such improvements or work by local special assessments, and proposes to contribute the said amount \$38,100:

And whereas the Council has decided to distribute the payment of the cost of the said works proposed to be assessed hereunder over a period of twenty (20) years, and to borrow the moneys necessary to defray such cost upon the special rates levied hereunder upon the lands and improvements benefited, and upon the guarantee of the Corporation at large:

And whereas the total frontage upon the said work of local improvement of the real property and portions of real property benefited is 54,541 1/6 feet, and the proportion of the cost chargeable to the property benefited is as aforesaid:

And whereas it will require the sum of five thousand dollars (\$5,000) to be raised annually for a period of twenty (20) years to pay the interest of the said debt, and the sum of three thousand seven hundred and twenty-one 57/100 dollars (\$3,721.57) to be raised annually during the said period for the payment of the debt to be created by this by-law, such last-mentioned sum being sufficient with the estimated interest on the investment thereof to discharge the said debt when the same becomes payable, making in all the sum of eight thousand seven hundred and twenty-one 57/100 dollars (\$8,721.57) to be raised annually as aforesaid:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. That the real property immediately benefited by the said work of local improvement shall be that which is particularly mentioned in the said report, and which is set forth and described in the Schedule following:—

SCHEDULE showing the Real Property immediately benefited, and the Proportion in which the Assessment is made on per Foot Frontage.

2. During twenty years from the 1st day of July, 1910, the currency of the debentures to be issued under the authority of this by-law, the sum of five thousand dollars (\$5,000) shall be raised annually for the payment of interest on said debentures, and also the sum of three thousand seven hundred and twenty-one 57/100 dollars (\$3,721.57) shall be raised annually for the payment of the debt, making in all the sum of eight thousand seven hundred and twenty-one 57/100 dollars (\$8,721.57) to be raised annually as aforesaid.

3. A special rate of 16 cents per foot frontage is hereby imposed on the real property hereinbefore described over and above all other rates and taxes, which special rate shall be sufficient to produce in each year the said sum of eight thousand seven hundred and twenty-one 57/100 dollars (\$8,721.57). The said special rate shall be annually inserted in the Collector's roll for the next succeeding twenty (20) years, and shall be payable at the time or times and at the place and in the manner in which ordinary city taxes are payable: Provided, however, that no rebate shall be allowed on the amount levied hereunder as aforesaid.

4. The sum of one hundred thousand dollars (\$100,000) shall be raised by loan by the Corporation on the security of the special rate hereby imposed and the guarantee of the Corporation at large, and debentures amounting to the sum of one hundred thousand dollars (\$100,000) shall be issued by the Corporation therefor.

5. The said debentures shall be made payable at the expiration of twenty (20) years from the date of issue of the same, and shall bear interest at a rate not exceeding five (5) per centum per annum.

6. The debentures may, both as to principal and interest, be payable in any place in Great Britain, in the United States of America, or in Canada, and may be expressed in sterling money or in any other currency, and may be made payable in gold, and the amount to be raised thereby shall be paid out and expended in paying off and discharging any temporary loans heretofore obtained on account of the said improvements and works, and for any other necessary expenses in connection with said improvements and works and for no other purpose whatever.

7. If at any time any of the owners of the said real property hereinbefore described, or any part thereof, desire to commute the assessment hereby imposed by the payment of his, her, or their proportionate share or shares of the cost thereof as the principal sum in lien thereof, he, she, or they may so commute by payment of such sum as may be necessary to realise at the end of the currency of such debentures a sum equivalent to the balance then unpaid of the said special rate thereon.

8. All moneys arising out of the said annual special rate and all moneys received in commutation thereof under the preceding section shall be deposited in the savings-bank of some chartered bank.

9. Every debenture to be issued hereunder shall contain a provision in the following words: "This debenture or any interest therein shall not, after a certificate of ownership has been indorsed therein by the Treasurer of the Corporation, be transferable except by entry by the Treasurer or his deputy in the Debenture Registry Book of the said Corporation."

10. The amount of the special rate levied hereunder shall be added to the taxes for the financial year in which such rate is assessed and levied, and such special rate may be collected in every respect as ordinary land or real property taxes of the City of New Westminster, and may be enforced and recovered in the same way, whether by action brought in any Court of competent jurisdiction, by sale of the land or real property upon which the same attaches, or otherwise: Provided, however, that no rebate shall be allowed on the amount levied hereunder.

11. The Corporation of the City of New Westminster doth hereby guarantee the moneys and interest thereon to be raised under the authority of this by-law.

12. The Corporation shall contribute the sum of thirty-eight thousand one hundred and nine dollars (\$38,109) towards the cost of the said work.

13. This by-law shall come into operation and take effect on the 1st day of October, 1910.

14. This by-law may be cited as the "Eighth Street Sewer Local Improvement Assessment By-law, 1910."

Done and passed in open Council this 12th day of September, A. D. 1910.

Reconsidered and finally passed this 26th day of September, A. D. 1910.
